If a vehicle is parked in a fire lane or a space designated for handicapped parking, is blocking another vehicle or access to another parking space, is obstructing the flow of traffic, is parked in a parking space which has been assigned as exclusively serving another Unit, or otherwise creates a hazardous condition or

prompt reconstruction and repair of such damage after the casualty. In all other instances, the Association shall have the responsibility of reconstruction and repair. In the event the Unit Owner fails to make such repairs or reconstruction promptly, the Association may make such repairs and assess the Unit Owner for all expenses, together with a service fee of up to twenty percent (20%) for the Association's services.

(b) Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair the damaged property to a condition as good as that existing immediately before the casualty.

(c) If the proceeds of insurance are not sufficient to satisfy the estimated costs of reconstruction and repair, assessments shall be made against the Unit Owners who own the damaged property, and against all Unit Owners in the case of damage to Common Elements, in sufficient amounts to provide funds to pay the estimated costs. Additional assessments may be made at any time during or following the completion of construction. Such assessments against Unit Owners for damage to Units shall be in proportion to the cost of reconstruction and repair of their respective Units. Such assessments on account of damage to Common Elements shall be in proportion to the Unit Owner's ownership interest in the Common Elements.

(d) If the amount of the estimated costs of reconstruction and repairs for which the Association is responsible is more than Thirty Thousand Dollars (\$30,000.00) in excess of the amount of insurance proceeds available for such reconstruction or repair, the assessments paid to meet such costs shall be deposited by the Association with the Insurance Trustee. In all other cases, the Association shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

(e) Notwithstanding anything to the contrary herein contained, the Association has a right of entry into any Unit in order to perform emergency repairs or to do other work necessary for the maintenance of the Condominium.

The Unit Owner's rights to use this portion of the Common Elements shall be pursuant to a license agreement with the Association subject to the following conditions:

(1) The expense of making such alterations shall be paid in full by the Unit Owner or Owners making such alterations;

(2) In the event such Units shall cease to be used as a single Unit, the Unit Owner or Owners shall pay the full expense of restoring such Common Elements to their condition prior to such alterations; and

(g) The Association will act on behalf of each Unit Owner in connection with the settlement of any condemnation awards or insurance claims, and each Unit Owner hereby appoints the Association as attorney-in-fact for this purpose. An undivided share of such proceeds on account of damages to Common Elements (whether by casualty or condemnation) shall be allocated to the Unit Owners according to their ownership interest in the Common Elements set forth in Paragraph 4. In the event a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the named mortgagee and the Unit Owner as their interests may appear.

(h) Proceeds of insurance policies received by the Association shall be distributed as follows:

(1) If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be expended as provided in Paragraph 12. Any proceeds remaining after payment of repair or reconstruction expenses shall be distributed to the beneficial owners, with remittances to Unit Owners and mortgagees of Units being payable jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee.

(2) If it is determined, as provided in Paragraph 12, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the mortgagees of Units, if any, and Unit Owners as their interests may appear. (3) In making distributions to mortgagees, a duly executed certificate shall be provided to the Association by each of the mortgagees as to their respective shares of the distribution.

(c) If the damaged property is the Units, and if Units with more than two-thirds (2/3) of the Common Elements appurtenant thereto are found by the Association not to be tenantable, then the damaged property will not be reconstructed or repaired, and the Condominium will be terminated under Paragraph 20, unless, within sixty (60) days after the casualty, all the Unit Owners and fifty-one percent (51%) of Eligible Mortgagees agree in writing to such reconstruction or repair.

(d) Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original buildings or if not, then according to plans and specifications aesthetically compatible with the Units and Common Elements prior to the damage and approved by the Association, which approval shall not be unreasonably withheld or delayed.

The multi-peril, all-risk insurance shall be purchased by the Association for the use and benefit of individual Unit Owners and their mortgages. The Association shall issue certificates of insurance to each Unit Owner showing and describing the insurance coverage for the interest of each such Unit Owner, and shall develop procedures for the issuance, after request, of a certified copy of the policy together with standard mortgagee endorsement clauses to the mortgagees of Unit Owners. Each policy shall waive rights of subrogation as between Unit Owners. To the extent that Unit Owners are covered by multi-peril, all-risk insurance policies purchased by the Association, or by themselves, they shall not be liable for damage caused by their acts, or negligent acts of others which cause damage to the Common Elements, Limited Common Elements, or another Unit.

(2) Public liability insurance shall be secured in such amounts and with such coverage as shall be determined by the Association but such policy or policies shall be in an amount not less than One Million and No/100 (\$1,000,000.00) Dollars per occurrence, including, but not limited to, hired automobile and non-owned automobile, with cross-liability endorsement to cover liabilities of the Unit Owners as a group to individual Unit Owners;

Notwithstanding any provision of the Documents to the contrary, the Developer shall establish a working capital fund for purposes of meeting any unforeseen expenditures and/or contingencies or to purchase any additional equipment or services with respect to the development of the Condominium, and said fund shall be included in the budget and financed by a portion of the Assessments collected from the Unit Owners. The Developer shall initially establish the fund with proceeds that are equal to two months of estimated Assessments for each Unit. During the Developer Control Period, the Developer must not use any working capital funds to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits. Moreover, when control of the Association is transferred from the Developer to the Unit Owners as provided in the Documents, said fund and the proceeds thereof shall be transferred to the Association for deposit into a segregated fund to be used by the Association for the same aforementioned purposes.

(e) Miscellaneous.

(1) The Association shall hold or lease any Unit owned in the name of the Association, or a nominee thereof designated by the Association, for the benefit of all Unit Owners. The Association shall have authority at any time to sell, lease or sublease said Unit on behalf of the Association upon such terms as the Association shall deem desirable, but in no event shall such a Unit be sold for less than the amount paid by the Association to purchase the Unit, unless Unit Owners owning not less than fifty-one percent (51%) of the total ownership of the Common Elements first authorize the sale for such lesser amount.

The multi-peril, all-risk policy purchased by the Association shall provide fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy. Each policy shall contain the following endorsements: Inflation Guard, Building Ordinance or Law, Guaranteed Replacement Cost, Agreed Amount,

If a Trustor shall pay the Secured Charges when due, then this trust conveyance shall be of no further force or effect with respect to such Trustor's Unit. If the Secured Charges with respect to any Unit are not paid promptly when due, this trust conveyance shall remain in full force and effect, and the Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days notice by three (3) publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said Unit at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the equity of redemption, the statutory right of redemption, homestead, dower and all exemptions of every kind, all of which are hereby expressly waived; and the Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser.
